## Enterprise Europe Network is expanding its reach into the US market by partnering with Venture & Capital International.

Venture & Capital International, the San Diego based international business development accelerator and incubator, partners with the Chamber of Commerce and Industry of Versailles through Enterprise Europe Network, an EU initiative.

American and European companies have now access to:

- Direct business connections in Southern California and 44 European countries for commercial and technological partnerships.
- Comprehensive business support services for the preparation of major professional events: e.g. NAB Show, CTIA, Paris Air Show, Pollutec and Milipol.
- Custom “Dig Trips”, “Tech Tours” and trade missions for technology partnerships and sourcing in specific activity fields, e.g. Wireless, Software or Cleantech.
